Registration of a SIOP / Umbrella reference assessment

For the radiology reference assessment of a patient in the UMBRELLA study we (Pediatric Radiology, Inselspital) need the following information and DICOM data from you:

Patient information:

- Patient name, DOB
- Patient identifier (study number)
- Reports (PDF) of the external radiology study (according to Umbrella protocol)
- CT, US, MR DICOM Images in our PACS system
(send via H-NET or Teleradiologie (HUG/CHUV))

Online registration with comment:
